

# Abridged Minutes for the Meeting

3<sup>rd</sup> August 2022

Via Teams at 11:00

## I. Quality Assurance

- A. Medical records: Today's focus is on continuous computer records (i.e. 'data dumps')
  - 1. Some records departments disclose records as a 'data dump' including unnecessary duplication and in an inconsistent and/or illogical order. This can make the process of collation time-consuming (and therefore expensive)
  - 2. PAGE members have modified the way they collate and index to accommodate this, but it is often impossible.
- B. Clin-Neg Topical issue: Focus on Patient Safety Commissioner
  - 1. Dr Henrietta Hughes is the first to hold the position set up to focus on Independent Medicines and Medical Devices Safety Review and listen to patient voices.
  - 2. PAGE members are a good voice to listen to as well, as we see hundreds of cases of every year.

## II. Paginator Concerns

- A. ATE Providers:
- B. Debt Collection – What is the best way to ensure no bad debtors?

## III. Project Updates

- A. Application Process
- B. Social Media and Website

## IV. Upcoming Events

- A. APIL Clin Neg, Sep 2022
- B. AvMA Christmas 1900 Friday 2nd December 2022, Leonardo Royal London St Paul's

## V. Next Meeting

- A. Tuesday, 6<sup>th</sup> September 11:30.
